WORKING
FOR SUCCESS
WITH THE
COMPETENCE
OF A STRONG
BRAND.

Dear Sir or Madam,

For more than 55 years, we have been among the leading providers of household products in Europe. Approximately 1,000 people work at Leifheit day-to-day to create high quality products and innovative system solutions to make daily life in the home easier and more comfortable. That is our mission.

In our Catalogue 2017 we provide you with not only many tried and tested products, but many innovations which maintain this claim, such as our wood floor care system Care & Protect: a simple and comfortable solution for cleaning, caring and protecting wood.

At the same time, we again present our wide scope of products within the categories of Cleaning, Laundry Care and Kitchen. Our variety not only offer a suitable solution for each household challenge and consumer demand with the best of Leifheit's quality, but we also give our trading partners the opportunity to make a difference. We offer a product range which fits you, with custom-made POS concepts and presentations of goods which are based on your customers' buying habits. In connection with our strong brand we create a unique shopping experience and a guarantee for customer satisfaction.

Please get in touch.

SIMPLE AND COMFORTABLE SOLUTIONS FOR THE HOME - EVERY DAY.

Intelligent innovations for your future.

Millions of people trust the Leifheit brand. Whether for cleaning, laundry care or in the kitchen, our high quality products and system solutions - thanks to their high level of functionality, their good design and extraordinary standard, ensure that life at home becomes a bit easier and more comfortable. In this way, daily challenges can be met quickly and effortlessly, leaving more time for the really important things in life.

We are constantly working to improve that which has been tried and tested and to develop new solutions. In doing so, we always place the consumer in the centre of our development and innovation work. This results in attractive product ideas with a high level of relevance to the consumer. But don't just take it from us: the Plus X Award, the „deutsche Parkettverband“ [German wood flooring association], the IF Product Design Award and many other initiatives and test institutes have all distinguished our innovations.

Let's profit from the competencies of our strong brand and our leading solutions for your success. Today and in the future.

Many awards demonstrate and justify the trust which exists in our brand.

IRONING BOARDS

The competent product range from Leifheit

Whether it's for small or large laundry loads, Leifheit offers a wide choice of ironing solutions; an extensive range of ironing boards with different qualities and prices for all conventional steam irons and steam iron generators, as well as a selection of integrated ironing systems.

STEAM IRON GENERATOR AND INTEGRATED IRONING SYSTEMS RANGE **AIR ACTIVE**

Perfect for steam iron generators.

MORE THAN JUST HOT AIR:

- ✓ Lightweight - for easy setting up and putting away
- ✓ Integrated rollers - convenient to move
- ✓ Perfectly compatible components for shorter ironing times with better ironing results

All **Air Active board models** are equipped with the **3 Air Active Functions** that make ironing up to **50%** faster.

Air Suction function

Holds and secures the laundry to the ironing board's surface for easier ironing.

Air Extraction function

Draws away excess steam, cools the laundry and ensures cupboard-dry and long-lasting crease-free laundry.

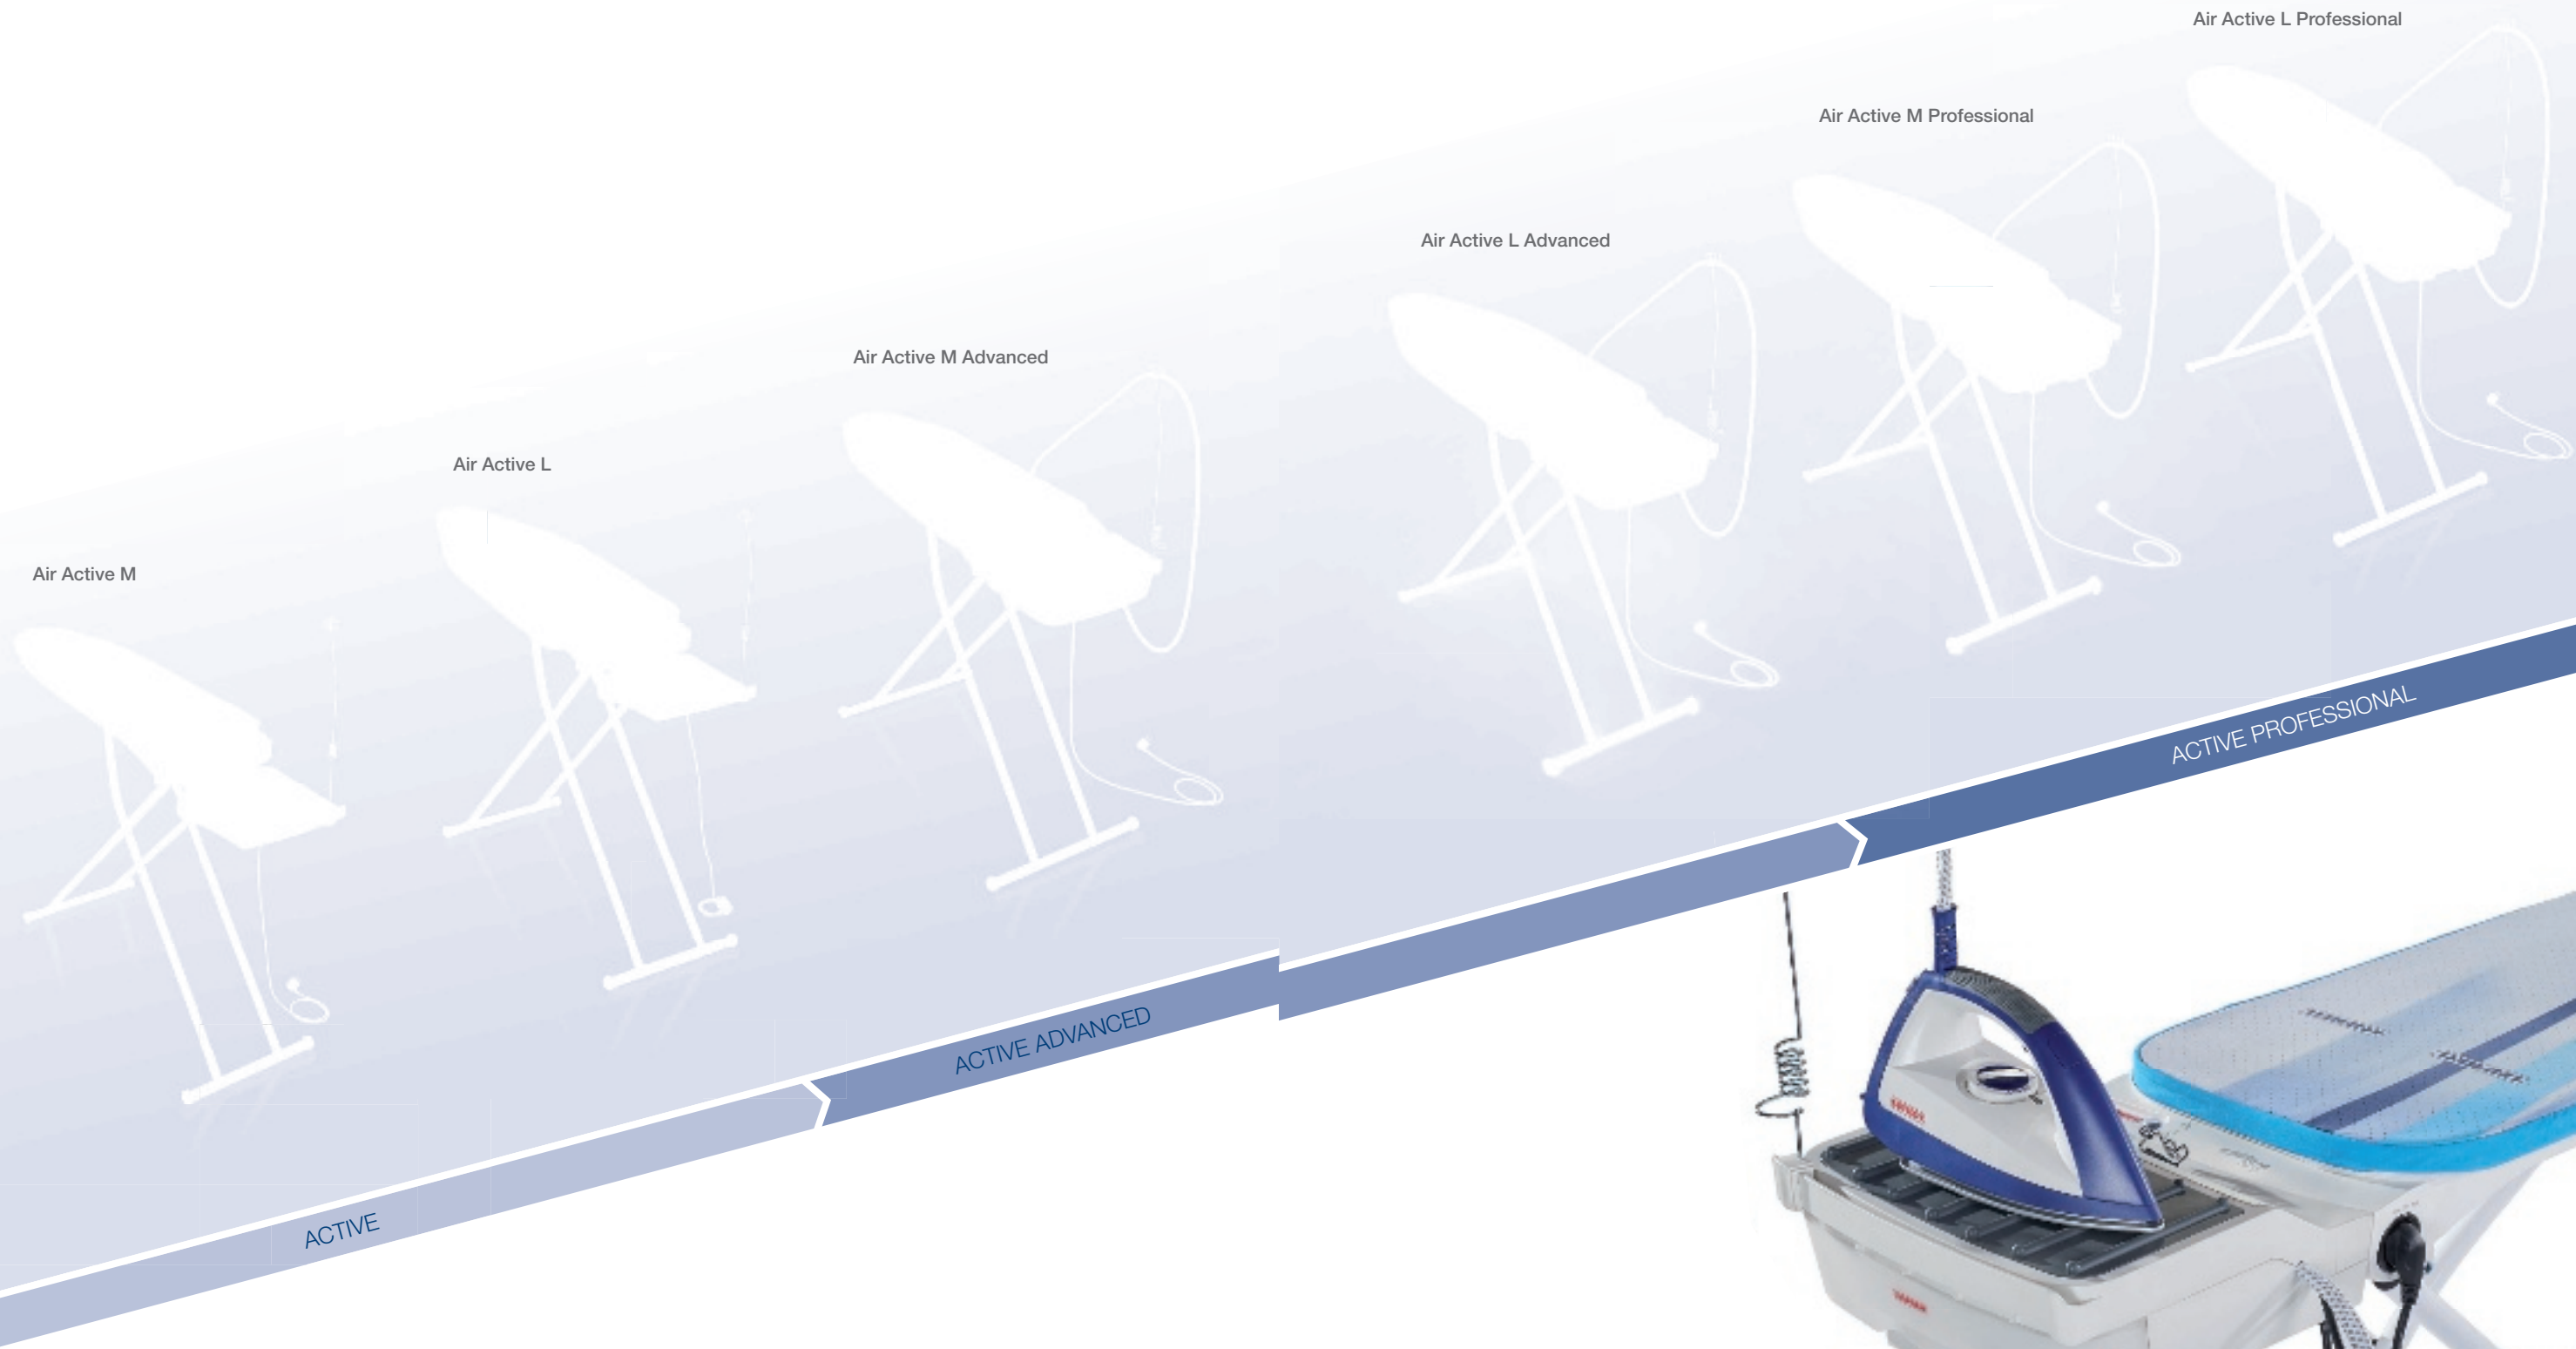

Air Inflate function

Likened to ironing on an air cushion for delicates, without leaving wrinkles or creases.

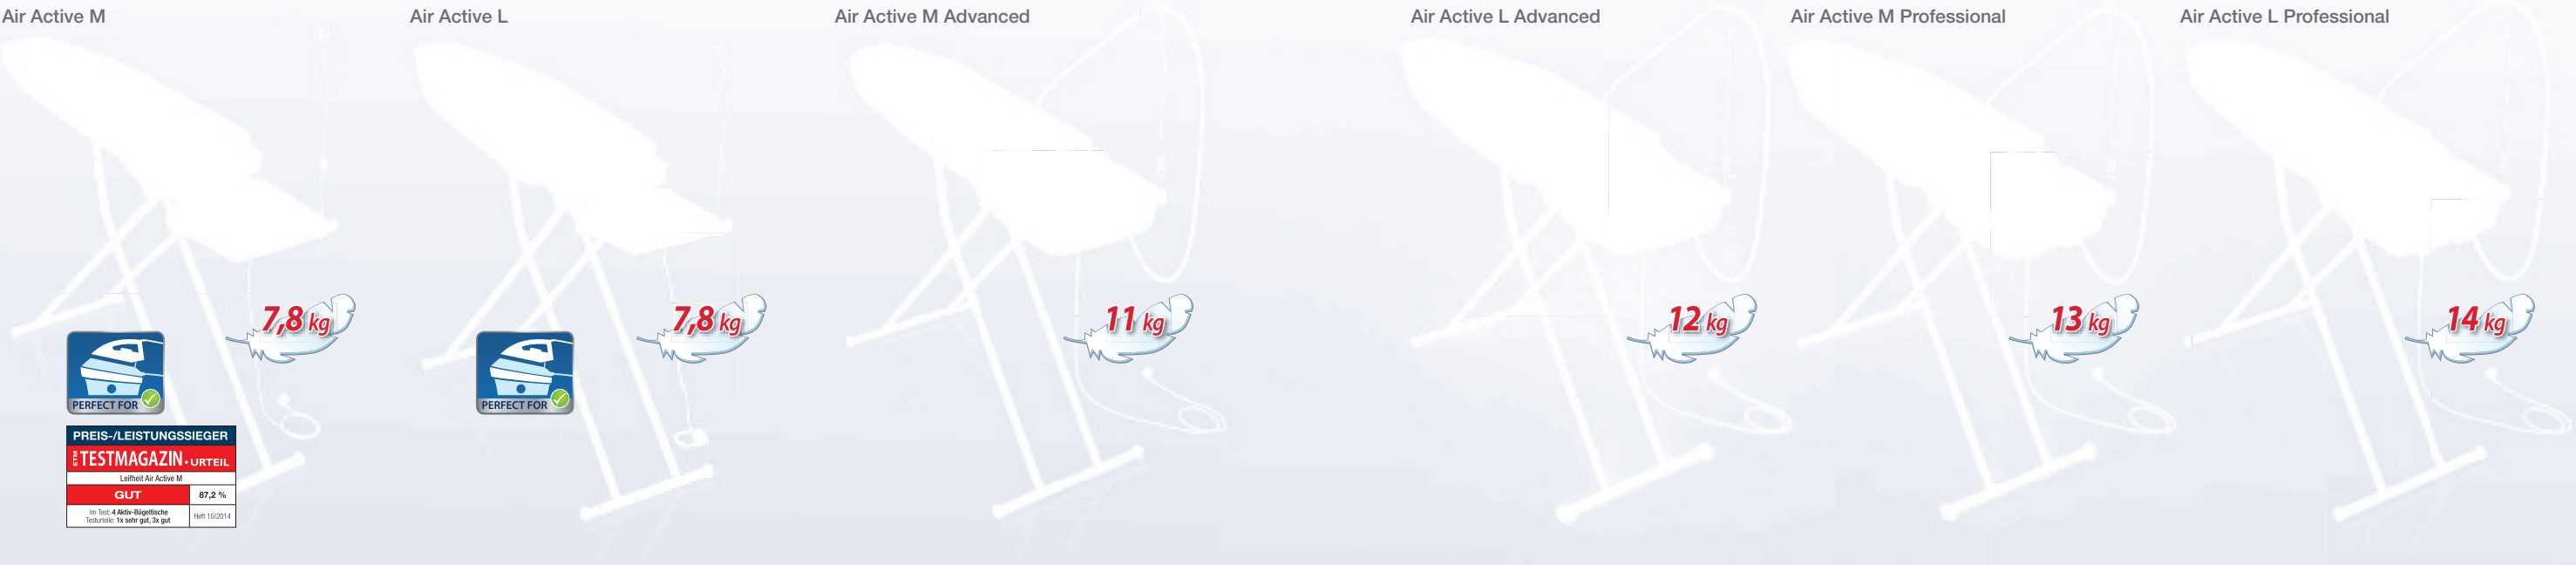

AIR ACTIVE RANGE

Maximum ironing comfort for perfect laundry:
Iron up to 50%* faster and easier with the
board's Active Functions

*Compared with a standard ironing board and iron.

TOP-FEATURES

· Active functions

· Height adjustable: 75 – 100 cm

· Ultra-light ironing surface

· Sturdy frame with adjustable feet

· Cable holder

· Condensation collecting chamber
